6. ► Discuss Priority Projects

Ms. Hampton asked if there was anything else that needed to be done with the holiday card project and Ms. Steele responded that the project was complete and efforts could be concentrated on other projects. Ms. Steele thanked the members for their hard work and said the cards were much appreciated.

Mr. Swalhah reminded the members to attend the Council meeting on January 10. He stated the stormwater presentation would be made next month, and that would give a clearer picture of the marsh sweep. The animal shelter volunteer day will be on February 12, and further updates would be given next month.
